FOR IMMEDIATE RELEASE:

EIU PLANS TO CLOSE TRANSFER ADMISSIONS SOON

CHARLESTON, IL--Eastern Illinois University has announced that a cutoff of transfer applications for Fall Semester 1993 will be forthcoming in the near future.

Last week, officials announced a cutoff of freshmen applications for the fall.

"As was the case with the freshmen cutoff, the impending cutoff of transfer applications is necessary in order to maintain enrollment at a level consistent with Eastern's appropriation from the state of Illinois," according to Dale Wolf, director of admissions.

The exact date of the transfer application cutoff has not been established, but will be implemented without further notice,

TRANSFER APPLICATIONS

Wolf said in a letter to community college counselors. Wolf said counselors will be notified by a follow-up letter as to any ensuing action regarding applications.

He said applications for transfers are being closely monitored on a day-to-day basis. "Due to an impending cutoff, we encourage your students to submit their application and fee immediately if they are considering attending Eastern in the fall," Wolf stated in the letter.

Wolf said any applications on file prior to a cutoff will be considered once the appropriate transcript(s) are received by the Office of Admissions. All applications must be accompanied by the \$25 processing fee.

He emphasized that exempt from an early cutoff are former students applying for readmission, graduate and minority applicants and recipients of designated scholarships and awards.

Last year, Eastern closed admission to transfer students on May 11 for the 1992 Fall Semester.
